On Monday, September 25th at 11 am on the steps of the Saskatchewan Legislative Building in Regina, we are

delivering the 2251 letters to Honorable Scott Moe, Premier of Saskatchewan.

The letter campaign asking for a wetland policy for all peoples of Saskatchewan has created a much need discussion on how we manage water. We attended parades, pow wows, festivals and farmers markets with the letters and we were part of 2251 interesting conversation. The thoughtful responses on each letter has shown us that people love and care for Saskatchewan.

We would like to invite you to join us on the steps of the legislative building on Monday, September 25 at 11 am. This is a good story news story and we are proud the letter has created a conversation that will set Saskatchewan up for success.
