

Lets Keep the Conversation Going! Let your voice be heard!

On Monday Sept 25th at 11 am we'll be on the steps of legislature to deliver over 2,300 letters with your concerns about why we need a Wetland Conservation Policy to the Premier. The media will be there to tell your story. Please join us if you can.

CBC Radio will also be having a phone in show discussing the need for a wetland conservation policy on Monday Sept 25 starting at noon. Please tune in, call in and continue the conversation. You can also email BlueSky your thoughts as well.
